

441—156.12(234) Supervised apartment living.

156.12(1) Maintenance. When a youth at least aged 16 but under the age of 20 is living in a supervised apartment living situation, the maximum monthly maintenance payment for the youth shall be \$573.90. This payment may be paid to the youth or another payee, other than a department employee, for the youth's care.

156.12(2) Service. When services for a youth in supervised apartment living are purchased, the service components and number of hours purchased shall be specified by the service worker in the youth's case permanency plan.

This rule is intended to implement Iowa Code section 234.35.
